Every Summer HAS A STORY
Every summer has a story... we invite your child to write theirs with us!

At YMCA of Bucks and Hunterdon Counties, we help foster personal growth and life long friendships for children by providing them with fun, safe, educational and recreational camp programs. All of our outdoor experiences, group activities, sports and arts are facilitated by our exceptional, highly motivated staff.

Our diverse weekly themes will guarantee that no two weeks will be the same. As the author, character and illustrator of your child’s own personal story, they will sure have a lot to write about. Let us help to make the summer of 2023 one for the “books”.

WHAT PARENTS ARE SAYING...
I am very impressed with the organization of the Doylestown camp. Well done!

My kids love the Doylestown YMCA camp. They love the counselors and have so much fun.

Staff was so kind, welcoming, and cheerful!

All of the staff are professional, warm and welcoming. I have had my granddaughter participate for three summers now, and it has been the best experience for her. The fact that so many counselors are consistent from one summer to another speaks volumes about your treatment of your team. I wish there were more superlatives to describe how wonderful this camp is!

Absolutely LOVE the camp and the staff! It’s been a great experience!

**Camper receives STEM.org certificate of completion (+$29)
Ability Camp is a “camp within a camp” designed for youth who, in order to be safe and successful, require smaller ratios than what you may find in a traditional camp environment. Ability Camp is a fully mainstreamed, inclusive program that provides support for children and adolescents entering grades Kindergarten through age 22 in smaller ratios, alongside their age-similar peers of all abilities. Counselors work to provide physical, emotional, behavior, and cognitive support to help campers fully participate and succeed in outdoor/indoor camp activities.

To be successful in Ability Camp, campers should be mainstreamed at least part of the day during school and be successful in a 1:3 ratio. Campers also must be independent with toileting and feeding. Students who require 1:1 support for any of the above are welcome at Ability Camp with the assistance of a personal care aid, TSS or other support person provided by the family.

Application Process
Registration for Ability Camp programs is by application only. Parent input and involvement in planning and managing behaviors is also expected. Prior to enrolling in Ability Camp at the Y, parents/guardians must complete an intake application packet. Please see below for details regarding the application process.

Application Process for NEW Campers/LITs*
Your child is considered a new camper if they have never attended an Ability Camp program at YMCA of Bucks and Hunterdon Counties.
1. Contact camp leadership staff to obtain an application intake packet.
2. Complete application intake packet and return to camp leadership staff.
3. The intake application packet is reviewed by camp leadership staff.
4. Upon review, a new camper interview will be scheduled with camp leadership staff, at least one parent/guardian, and the camper present. Camp registration approval decision will be made after this meeting and then relayed to parents.
5. If approved to register, proceed to the Welcome Center to complete the registration packet and camp selection grid. Financial and liability waivers will be signed at this time and camp payments scheduled.

Application Process for RETURNING Campers/LITs*
Your child is considered a returning camper if they have previously attended at least one full week of Ability Camp program at YMCA of Bucks and Hunterdon Counties.
1. Contact camp leadership staff to obtain a returning camper update form.
2. Complete update form and return to camp leadership staff.
3. Form is reviewed by camp leadership staff. Camp registration approval decision will be made once form is reviewed.*
4. If approved to register, proceed to the Welcome Center to complete the registration packet and camp selection grid. Financial and liability waivers will be signed at this time and camp payments scheduled.

Ability Camp K–7th Grade
Ability Adventure, Specialty and Sports camps are immersive, mainstream, inclusive summer camp programs for children and tweens entering grades Kindergarten through 7th with intellectual, developmental, and physical disabilities or behavioral health concerns.

Ability Summer Teen Leaders in Training (LITs)
The LITs program is designed for teens ages 14–22 with intellectual and developmental disabilities to develop practical skills in volunteering/job training, community learning, and health & wellness.

An application is required for all Ability Camp programs. For more information about Ability Camps, view a brochure on our website at ymcabhc.org/camp or email abilitycamp@ymcabhc.org.
